1. Constant Adult Supervision of the equipment is required at all times.
2. Riders must remove shoes, eyeglasses, combs, hairclips, and other sharp objects before entering unit.
3. Do not allow anyone to jump or play on a partially inflated unit.
4. No "Silly String" will be allowed near unit. This will damage unit.
5. Do not allow riders to have candy, gum, food, or drink inside the unit, as this poses a choking hazard.
6. Do not allow flips, horseplay, pushing, climbing the net walls, or roughhousing on unit.
7. Never put a hose or water on the unit.
8. Do not plug & unplug the blower repeatedly as this will cause it to burn up.
9. Do not allow riders to climb on outside net or walls of unit.
10. Never allow more than 6 riders at one time inside unit
11. In case of rain, or winds exceeding 20 MPH, remove all riders immediately & turn off Blower. Jumping surface is slippery & dangerous when it becomes wet.
12. Failure to use Good Judgment & to follow these safety rules can result in serious injury. The Adult Supervision should make sure all safety rules are followed.
